The Two Thousand Seventeen  
Blue-Grey Spring Concert Series

**The Blue Concert**

**Tuesday, April 25, 2017**

**7:30pm**

Sanford Sardo- Director of Choral Activities  
Edward Tumminelli- Director of Bands

To Our Audience

Thank you for attending our performance this evening. We hope that you enjoy tonight's concert as much as we enjoy performing for you.

In today's world, there are many types of activities in which students participate. What may be considered appropriate at some events may not be appropriate at a concert. Please take these suggestions in the spirit that they are given, as they will increase everyone's enjoyment of the concert.

-There is no smoking on school grounds.

-Please refrain from talking during the performance: it is disturbing to us and others in the audience.

-Please do not leave the auditorium during the performance of a musical selection.

-Please do not whistle or call out during a musical selection; it is difficult to maintain our concentration under those conditions.

-Please turn cellphones off (unless you are viewing the program), or set to vibrate.

-Please remain for the entire concert. Those of us who are performing last have worked just as hard as everyone else, and we too would like to perform to a full house.

We have all put a lot of effort into giving the finest performance we are capable of giving, and we would appreciate your cooperation in observing this concert etiquette.

Thanks again. This performance would not have been possible without you.
